2. What are cookies?

Cookies are small text files that are stored on the hard drive of the device you use to visit a website. Cookies are generally used to enable websites to operate, to make site navigation easier and more user-friendly. For instance, cookies can make it possible for a website to recognize your browser in order to speed up and customize the use of the website as you revisit that site. They can also remember your personal settings and preferences. For instance, if you revisit a website, you will not have to reselect language. Some cookies can be placed by a third party, for example Google Analytics, to help analyze the use of the Website (third party cookies).

Even if the Website is only visited, information on the use of the Website will be collected by means of cookies.

There are different types of cookies which can be distinguished according to their origin, function and duration. The cookies used by Sociale InnovatieFabriek are described under "What kind of cookies do we use?"

More information about the different types of cookies can be found at https://www.gegevensbeschermingsautoriteit.be/faq-themas/cookies and www.allaboutcookies.org.

3. **Why do we use cookies?**

Sociale InnovatieFabriek uses cookies to:
- Improve the use and functionality of the Website;
- Analyze how the visitors of the Website use the Website (e.g. how many times a page is visited...); and/or
- Compile statistics.

The information collected via cookies is not used by Sociale InnovatieFabriek to identify individual visitors of the Website.

4. **What kind of cookies do we use?**

Sociale InnovatieFabriek uses the following cookies on the Website:
- Signin-cookies : when you log in to Impact Wizard, this cookie remembers you are logged in.
- Security cookies, to protect your data
- Analysis and performance cookies, that collect data on the performance of the Website, such as the number of visitors, the time spent by visitors on the web page and error messages and make the Website more user-friendly. For instance, cookies can make it possible for a website to recognize your browser in order to speed up and customize the use of the website as you revisit that site . These performance cookies are session cookies (this means that these are automatically deleted when shutting down your browser) or persistent cookies (these files stay in one of your browser's subfolders until you delete them manually or your browser deletes them based on the duration period contained within the persistent cookie's file)

Below follows an overview of the specific cookies Sociale InnovatieFabriek uses on the Website, with its purpose and legal ground.
